Dear Dr. Sutton:

I am pleased to inform you that Dr. Guthe will be happy to accept the invitation to speak to your Conference on 13 November, although it may not be possible for him to stay the entire time suggested by you.

Needless to say, I too am disappointed that I shall not be able to address your group.

Sincerely,

Allan W. Dulles  
Director

DEPARTMENT OF GOVERNMENT

September 4, 1959

Mr. Allen W. Dulles, Director  
Central Intelligence Agency  
Washington 25, D. C.

Dear Mr. Dulles:

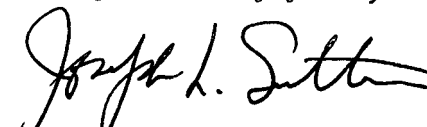

Thank you very much for your letter of 5 August. My colleagues and I are, of course, disappointed that you will not be able to attend the Conference on Asian Studies. We understand, however, that the press of your many duties prevents you from being with us at that time. We are glad, however, that Dr. Otto E. Guthe can be made available. The committee therefore formally extends an invitation to Dr. Guthe to speak to our Conference on the implications of Asian Studies for our national security.

If it is convenient to Dr. Guthe, we would appreciate having him arrive on the evening of the 12 of November and stay through the 13 and address the Conference on the 13. If these dates are suitable, we shall see to it that a formal letter of invitation is sent to him by President Herman B Wells.

It will be of interest to Dr. Guthe that one of my colleagues, Dr. Edward H. Buehrig, who served with him on the Italo-Yugoslav Border Commission after the close of World War II, will be on campus at that time.

In closing, let me say again on behalf of the committee and myself personally that we very much regret that you will be unable to attend. Perhaps there will be some future occasion when you will be free to come.

Very sincerely yours,

  
Joseph L. Sutton
